

UOHS Alumni Association Profile

Vision

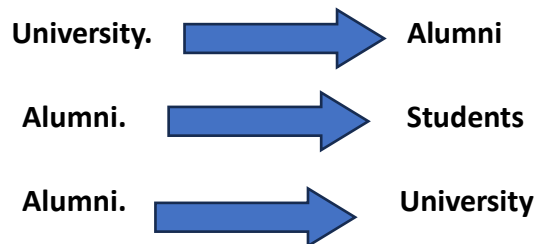

To provide a voice for all Alumni through active membership of the **UOHS Alumni Association “UOHSAA”**.

Mission

To establish a loyalty to the university and relationships between students past, present and future.

Objectives

1. Establish a line of connection between the university and its graduates.
2. Provide support in getting work opportunities for the university graduates within and outside the university
3. Generally, motivate the graduates to undertake research activities with the opportunity of using the university's scientific journal as a platform for publishing their research activities.
4. To allow various interactions between the university faculties, non teaching staff, students and alums by conducting academic activities, e.g seminars in a three-way part system.

5. To advise the graduates on various technical problems and job opportunities that may come across them.
6. To provide the graduates with recommendation letters and admission guidelines for higher education Institutions.
7. To develop an international network for Alumni, support mainly focusing on graduates abroad, diaspora and international bodies.
8. Membership status will be based on contributions and services the university provides.
